FOOD ESTABLISHMENT MANAGER'S TRAINING

This two day course is intended to lessen the risk of foodborne disease while providing valuable information regarding the 2005 FDA Food Code as enacted by the WV Legislature. Policies enacted by the Monongalia County Board of Health mandate this training for each permitted Food Establishment within Monongalia County.

Participants must pass a test in order to receive a training certificate that must be posted in every permitted facility. A person may only represent one permitted facility. Facilities with multiple permits must have one trained person for each permitted food establishment facility.
